Subject: A.15-09-001: E-Mail Ruling Granting Delays in Procedural Deadlines

To the Service List in A.15-09-001:

This E-Mail Ruling grants the joint request of Pacific Gas and Electric Company (PG&E), the Office of Ratepayer Advocates (ORA) and The Utility Reform Network (TURN) for postponement of the due dates for cross-examination estimates and the case management statement in this proceeding. The new due dates for these milestones are July 25 and July 27, 2016, respectively.

The Joint Request

On June 3, 2016 the assigned Administrative Law Judge (ALJ) issued a ruling granting a prior request of PG&E, ORA and TURN to remove 2 weeks of previously-scheduled evidentiary hearings from the Commission's calendar, and to adjust the corresponding deadlines for (1) submission of parties' cross-examination estimates to PG&E and (2) filing and service of the case management statement by PG&E.

On June 20, 2016 PG&E, ORA and TURN filed a motion requesting a further extension of the schedule for evidentiary hearings and related deadlines in this proceeding, in order to allow settlement discussions to continue. That motion noted that the deadlines for submission of parties' cross-examination estimates to PG&E and filing and service of the case management statement by PG&E were immediately upon the parties, and would need to be addressed in short order while the request for new hearing dates was considered.

Discussion

While the joint request of PG&E, ORA and TURN for a revised schedule in this proceeding is pending, it is reasonable to modify the deadlines for (1) submission of parties' cross-examination estimates to PG&E and (2) filing and service of the case management statement by PG&E. Those due dates are hereby revised to the following:

- Submission of parties' cross-examination estimates to PG&E: July 25, 2016
- PG&E files and serves case management statement: July 27, 2016

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.
